Your Community Newsletter

September 2017

The City of Tangent has changed their vendor for processing credit cards. This was done to enable customers to pay their utility bills online. You can access this online pay portal by going to <https://wp-tangentor.accugov.com/>. This is a secure page where you can register the first time you use the portal or login if you already have registered. The Welcome Page explains everything about this new service.

The same portal is how customers who had the Finance Director email their utility statement to them will receive their statements. Statements will no longer be sent by email, but there will be an email sent to inform you that new statements are available for viewing online.

Please note that when you are asked for your location that is the first three numbers of your account number; i.e. Account Number 150-P would have a location of 150. If you have trouble registering using your utility statement, please either call City Hall or email bev@cityoftangent.org or georgia@cityoftangent.org and we can give you a registration key that is good for 24 hours.

Step by Step Instructions to Register on the Web Portal

1. Go to <https://wp-tangentor.accugov.com/>.
2. Click on the Register button on the top right side.
3. Type in your chosen Username, email, your chosen password, and confirm your password.
4. Next Select Utility Statement from the drop down menu next to I have a(n) . . .
5. Your account number will be located right above your name and your service location is the first three numbers of your account number.
6. Click on Register on the left upper corner and you should be good to go. This will take you back to the original page to click on Login, if you are successful.
7. In order to view your utility statements and to make payments you need to log in and follow the directions.

There is a convenience fee to use your credit card now even if you call us with your credit/debit card information. However, if you use the electronic check option there is no charge.

You can still send a check through the mail, drop a check off in the drop box at City Hall's front door, or come in to City Hall to drop off a check or pay with cash.

Thank you for your patience during this transition period.
