
STATE GOAL 1: Citizen Involvement

VISION

Citizen Involvement and Land Use Planning (adopted May 2006): We, the Tangent citizens are involved in planning by participating in city activities such as: planning and council meetings, neighbor meetings, fire department activities, schools, harvest festival, park and drainage committees, and being involved in all phases of the planning process. We believe that our input, creative talents and skills are valued, encouraged and used.

We go about planning by: identifying the values and goals that are important to us via a process that is transparent, open, and democratic. Our objective is to preserve local control consistent with statewide goals. We plan directly with effected citizens in our neighborhoods. We encourage strong neighborhood associations. We look at facts and options, and choosing the best solution that reflects our vision. The citizens provide adequate funding for planning.
