

City of Tangent

April 2020

Closure—For Now

Due to our employees being in a high risk category, they will be working remotely. They will have access to email and will be checking voicemail. They will also be coming in from time to time to pick up mail, process payments (online payments will be processed daily), and work on various items that cannot be done at home.

Please do not hesitate to leave emails for the City at georgia@cityoftangent.org. Emails concerning the Finance Department can be sent to bev@cityoftangent.org.

Thank you for your understanding.

COVID-19 Updates

Information concerning the COVID-19 virus is in a fluid state. If it seems as though information changes daily, it is because it has been. A good source of information is found through the Oregon Health Authority. Their web site is located at healthoregon.org/coronavirus.

Just one of the items which they updated was about SNAP benefits. Since thousands of workers have already lost their jobs, hopefully temporarily, they may be struggling to keep food on the table. SNAP is a public structure that is here for these critical moments and offers nutrition assistance to eligible individuals and families. You can apply online at the Oregon Department of Human Services website: <https://www.oregon.gov/DHS/ASSISTANCE/FOOD-BENEFITS/Pages/Eligibility-Apply.aspx>.

If you can, please Stay Home, Stay Healthy, and Save Lives. If you are an essential worker, Thank you!

Tangent Drive Update

We have good news that the County was successful in obtaining a grant to reconstruct Tangent Drive. It will be awhile before any of this work is done as the money is expected to come in 2023. We will be holding an open house in the future to discuss the various elements of the project. This funding comes from the Albany Area Metropolitan Planning Organization and was sponsored by Linn County with the City of Tangent as a cooperating agency.
