## January 2021

### Community Events

#### Tangent Elementary School

Elementary schools in the Greater Albany School District, including Tangent Elementary School, will not be opening the hybrid option in January as originally hoped for.

All students will return to Comprehensive Distance Learning on January 4th following our current schedule. Before we can open for Hybrid Learning the number of cases in both Linn and Benton counties must go down by a significant amount before we are able to open.

We have a plan and will be ready when the case counts are at an acceptable level and we can welcome students back in the building.
